SPEAKERS: Woody Carland's talk on silver dollars will happen at the March meeting.

Our February meeting had 50 people attending. We are beginning to outgrow our meeting space! A very good thing!

From Bill Jacobik #800: I've learned that when an ANA member attends an ANA sanctioned show, and tells them they are representing PVCC, the club gets a three dollar credit in the form of "Bonus Bucks" These credits will carry over year after year like a savings account. We can apply them towards our \$75.00 annual membership renewal or save them to use for other benefits, I believe. Because we have an abundance of ANA members, we have been able to renew the club's ANA membership for free for a few years now, and have not used our \$9.00 in accumulated bonus bucks. If anyone is interested in seeing a major show, there are two of them coming up that are a reasonable travel distance, within the next 12 months.

Mark your calendar, save your money, and put in for some vacation time. The ANA will host the "World's Fair of Money" at the Pennsylvania Convention Center in Philadelphia this year, starting on Tuesday, August 14th through Saturday, August 18th. Then in March of 2019 the ANA will host a "National Money Show" at the David L. Lawrence Convention Center in Pittsburg, PA. Starting on Thursday March 28th to Saturday March 30th.

If anyone has ever considered joining the ANA, we will have applications at our April 29th show which will be the best time to join, and get the benefit of both of these great conventions. PVCC members can really help the club rack-up those "Bonus Bucks'."

On another note: it was John Clarke #837 and Wayne Goodrich #873 that won the gold coins at the December bonus drawing. Wayne, your GOLD coin awaits you!!

I'm assuming that the advertising package that we put together is okay and was approved. I should go ahead and pay the invoices. Please let me know if you have heard different. It's hard for me to stay focused on the officers meeting while attending to the club's business which is at its heaviest before the meeting begins.

Thomas P. Rockwell Lecture on Tuesday April 24, 2018.

An open Invitation!

Once a year the Boston Numismatic Society, the Collectors Club of Boston and the Currency Club of New England jointly sponsor a lecture by a leading New England numismatist to present on a topic of numismatic interest and open to anyone who would like to attend. This is promoted as both an educational and social event with refreshments available before and after the program. We are inviting numismatists from the New England region and beyond to join us for this event. The program will be held at Trinity Church 730 Main St Waltham, Massachusetts. The program will commence at 7:30pm. There should be sufficient on street parking and across the street at the Waltham Library (after 6 PM). For further information please contact William Harkins at 781-938-8167.

This year we are fortunate to have two notable New England numismatists giving presentations. Robert Moffatt a well-known token, medal and ephemera dealer in the New England area will present on the subject: "Charles Lang and Son, Diesinkers and Medalists, Worcester, Massachusetts" and Neil Musante, author of Medallic Washington, an exceptionally well done two volume work, will present on: "Francis Nalder Mitchell a 19th Century Boston Die Sinker" who was responsible for the Massachusetts Charitable Mechanics Association (Paul Revere was one of the founders) Medals.

Anyone who attends an **ANA convention** in the future, **MUST** sign in as a representative of the club in order for us to get the \$3.00 credit off our membership dues. They will no longer be taking our word that our ANA members have attended conventions in order for us to receive the \$3.00 credit. You will need to show your Club Membership Card. Remember, if you only go to one ANA show the club not only gets \$3 credit on our dues but also \$5 for you being an ANA member too. \$8 per year for each ANA Member goes a long way to helping the club maintain its membership in the ANA. Last year I believe we paid \$4 annual dues! Every little bit helps us! **See Bill Jacobik for FREE ANA membership for first time membership, he has the forms this is a \$25 value, so if you've been thinking about joining here is your chance to try it for free!!**
